EAST WINDSOR —

A township scientist and karate teacher, who was arrested last week on charges he sexually assaulted a 7-year-old boy, may have molested as many as 50 other victims, investigators said.

East Windsor Detective Steven Vardakis said since the story of Paul A. Longeway's arrest appeared in The Trentonian last week, investigators have been inundated with phone calls.

Longeway, a scientist with Princeton Scientific Enterprises Inc., was arrested Thursday on charges he sexually assaulted a 7-year-old boy.

According to police, Longeway allegedly touched the young boy after taking him on a boating and swimming trip. The boy reported the alleged incident to his mother, who notified police.

Longeway, 45, was charged with sexual assault and endangering the welfare of a child. If convicted, he faces five to 10 years behind bars.

Although no additional charges have been filed against Longeway, detectives are following leads that he was involved with Big Brothers and the Boy Scouts, Vardakis said.

Authorities said Longeway also operated a karate school for boys, which he ran out of his home on Bolton Road.

He remained yesterday in the Mercer County jail in lieu of \$20,000 cash bail.

Dear Paul:

Pursuant to our phone conversation of May 29, 1991, the following is a summary of the concerns and allegations rendered to me on the phone by [REDACTED], Madison, WI 53703 - [REDACTED]. He is a graduate student at the University of Wisconsin - Madison.

[REDACTED] called our office on May 28, 1991, asking if we knew the whereabouts of Paul Longway. The purpose of his request was that he ([REDACTED]) wanted to reach Paul Longway to "counsel" him. [REDACTED] says he is a drug rehab counselor.

[REDACTED] related that he was concerned that Paul Longway was hopefully not still sexually abusing children. [REDACTED] related the following:

Paul Longway abused [REDACTED] sexually about 21 years ago. [REDACTED] was a Webelos Scout, and Longway was very "close" to his family. His abuse was not too serious and [REDACTED] is handling it.

Longway also sexually abused [REDACTED]'s cousins and the son of a dentist. He took them on a private campout. Longway was a Boy Scout leader. The cousins lived in Fitchburg, Wisconsin.

[REDACTED] said that one cousin and the dentist's son are "pretty messed-up".

[REDACTED] believed that Longway moved to Pennsylvania and that some of his family visited Longway "awhile back".

I advised him that the BSA has a specific procedure, if Longway is registered in Scouting and that I would start that procedure.

TSBSA007857

DYKES_I_008970

In our conversation this morning, you advised me that a Paul Longway was placed in the ineligible file in 1970. This Longway lived in Wisconsin and Pennsylvania.

I will advise [REDACTED] that Paul Longway is not registered in Scouting, that he is not permitted to register, and that the BSA knows nothing of his whereabouts.

I will further advise him that to pursue the matter further, he will have to contact the police or other authorities.

Sincerely,

James L. Chandler

Dear Larry:

On April 15, you wrote to us concerning Paul Long and his attempt to register in your council. He has been attempting to register with us for the last several years. He has been on our confidential file since 1970. We would not wish to register him at the present time.

Mr. Long has used various names in addition to those you gave us in your letter. He goes by Longway part of the time, also. In fact, we believe that to be his legal name. If you have any problems, let us know, and we will help in any way possible. Just follow the procedures as outlined in our Maintaining Standards of Leadership, and we should be on safe grounds.

Dear Paul:

I have reason to believe the man trying to register on the enclosed copy of an adult application is in the confidential file and should not be registered with the Boy Scouts of America.

He is a.k.a. Paul Long, Paul Allen Long, and Paul Longley and attempted to register in the Juniata Valley Council recently.

He allegedly was a professional Scouter at one time and is a four-bead Woodbadger.

Please run this guy through the confidential file and send me any information you have as soon as possible.

Thank you for your prompt attention to this request.

SUBJECT: Paul Longeway

Dear Bill:

This confirms our conversation on the phone related to Paul Longeway. This individual has been on our Confidential File for several years and should not be registered.

Mr. Longeway has traveled under various names, by changing the spelling of his name slightly and also using different first names and sometimes using "Paul" as his middle name. In another situation he used "Paul" as his first name with a middle initial "A". He was registered in three or four different councils over a period of years and in each council was asked to cease being registered and active with the Boy Scouts of America. Since the names were different, we did not realize it was the same individual until some pieces began to fall together and we discovered that we were working really with the same individual who was traveling around the country involving himself in Scouting activities.

I hope this information is helpful to you in making certain that Mr. Longeway does not remain associated with our organization. Sooner or later he will get into trouble again if he remains as an active member.

Dear Bill:

Thank you for your reply to our questionnaire concerning the above Scouter. From the information you provided, it is certain that your Mr. Longeway is the same individual as one on whom we have information. We regret to inform you that we cannot accept Mr. Longeway's application.

When informing him about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Longeway should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are enclosing a credit notice of \$3.50. Please delete Mr. Longeway's name from your records.

Sincerely,

Paul L. Ernst, Director

Dear John:

Thank you for the prompt response to our request for information concerning Paul Charles Longway. He resigned August 5 in preference to termination. He received severance pay and has departed.

He was reported to us by three Scouts of Troop 120, Boonsboro, Md., who were manually molested by him while on a Pack 20 Webelos Den overnight campout, this past winter.

The confusion you suggested can now be clearly identified as a carefully planned scheme to get back into Scouting after his hasty departure from Wisconsin.

To protect others who may be subjected to similar actions I provide the following: In November, 1973, Donald Barron, one of our District Executives, received a long distance telephone call from someone identifying himself as a District Executive in Madison, Wisconsin. He announced that Paul Longway was moving to our area and we should be sure to recruit him to work in Scouting. The information presented included the following: he is a widower whose wife was killed in an auto accident, an Eagle Scout, Vigil OA member, Woodbadger, District Training Committee Vice Chairman, Troop Leader and an ordained minister of the United Methodist Church who prefers to attend Roman Catholic services.

He arrived and became: a Webelos Den Leader in Pack 20, Boonsboro, Md.; Scoutmaster Troop 58, Downsville, Md. and member of the Washington County District Committee. He immediately demonstrated spectacular success in each job.

When a vacancy occurred on our staff he seemed like a Godsend. His application listed the Wisconsin District Executive as a reference. He said he would be talking with him and would ask for his letter of recommendation. It arrived, not at our Service Center, but through his home address.

When I suggested to him today that he was the phone caller and author of the letter he did not deny or refute the conjecture.

Our bookkeeper recalls his writing a check shortly following his appearance on the scene. The printed name on the check was Longway, he altered it by striking out the letter e.

I am enclosing a photo that may be helpful in avoiding a re-occurrence of this. He is 5' 11" tall but now weighs 205 lbs. and has dark brown hair.

Also enclosed is a copy of the resignation and his checkout report.

Thank you again for your help.

Subject: Paul Charles Longway

Dear Alan:

----- There is trouble in River City.

In response to a call from Don Barron, of your staff, I researched our entire personnel jacket on the above named subject, and also reviewed our confidential file situation on a couple of suspected aliases.

There is a Paul Longway in our files, he was placed there in July of 1970 from Harrisburg, Pa. This "Mr. Longway" was at that time serving as Scoutmaster from 1966 through 1970 (the date of entry of a troop #90 in Mechanicsberg, Pa.). He was indicated to be a teacher at that time, approximately 5' 11", and about 190 pounds, and it was indicated that he had attended Messiah College, and Shippensburg College.

There is also Brian Paul Longway, who was entered in the files in November 1973 from the Menasha, Wisconsin Council. At that time he was serving as Scoutmaster of troop #1088, at the community of Marinette, Wisconsin. At the time of the instances of this situation, there was an effort made to get the parents of the boy, the Scout executive, and the Scoutmaster together. As soon as the meeting was called, the subject immediately quit his job, left town hurriedly for Pennsylvania. He also was a teacher.

In addition to above information, and apparently, because there was a rush to approve this applicant, his application does not include college transcripts from any of the colleges, and in addition there are many discrepancies, i.e., two different birthdates, at least two different social security numbers, confusion as to whether his Bachelors Degree was in Behavioral Science or Psychology, and whether his postgraduate work at the University of Wisconsin was in Chemistry or Psychology. Moreover, his application indicated him to be graduated from Shippensburg College, Pa., and the University of Wisconsin, Madison. Whereas, his N.E.I. information material shows him to have been from Messiah College.

Thus, whether or not this man proves to be one and the same as the two above mentioned "characters" there seems to be a real problem, involving confusion at least, and deliberate prevarication.

Please keep this office, and the regional office, informed of your progress in this matter.

If there is any additional help we can give, please call us.

Dear Paul:

We have had a recent incident with a Scout Master who took some provisional boys to a Scout camp last summer. In September, he was accused by two boys of moral indecencies and we have done an investigation of the incident with the boys and their parents and the accused Mr. Brian "Paul" Longway of 1135 Florence Street, Marinette, Wisconsin.

Mr. Longway was a school teacher in Waukesha, Wisconsin. In September of 1973, when I confronted him with these accusations, he denied it, at which time I insisted on a meeting with the boys involved and Mr. Longway, to discuss the matter further. He agreed to attend this meeting. Between that time and three days later when the confrontation meeting was scheduled, he packed his belongings and left for Pennsylvania. He did not inform the school system where he worked, nor myself, so we feel that the boys were telling the truth and I would therefore like to place his name in the confidential file and prevent him from serving in the Boy Scouts of America.

I have attached a letter from Mrs. [REDACTED], mother of one of the boys, explaining the incident. If you need any additional information please let me know.

Sincerely yours,

Roger A. Ohmstede

CITIZENSHIP AND AGE REQUIREMENTS

Every person serving in any official relationship with the Boy Scouts of America shall subscribe to the statement of religious principle, the Scout Oath and Law, and the Bylaws. Each such person either shall be a citizen of the United States or shall satisfy one of the following alternative requirements if applicable to him: (a) A person other than a member of the Executive Board or a regional chairman (all of whom must be citizens of the United States) shall legally declare his intention to become a citizen of the United States; (b) A visiting alien, whether adult or minor, shall satisfy the requirements of Article XVI, Section 6, Clause 4 of the Bylaws. All adult leaders must be 21 years of age except assistant Scoutmasters, associate Advisors, and merit badge counselors for subjects in which the principal requirements are for physical skill only. These leaders may be 18 years of age.

PURPOSE OF THE BOY SCOUTS OF AMERICA

The purpose of the Corporation is as set forth in the original certificate of incorporation under the laws of the District of Columbia, dated February 8, 1910, and restated in the Act of Incorporation enacted by the Congress of the United States of America on June 15, 1916, as follows: "That the purpose of this corporation shall be to promote, through organization, and cooperation with other agencies, the ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance,

and kindred virtues, using the methods which are now in common use by Boy Scouts." In achieving this purpose, emphasis shall be placed upon its educational program and the oaths, promises, and codes of the Scout program for character development, citizenship training, mental and physical fitness. Article I, Section 2.

DECLARATION OF RELIGIOUS PRINCIPLE

The Boy Scouts of America maintains that no boy can grow into the best kind of citizen without recognizing his obligation to God. In the first part of the Scout Oath or Promise the boy declares, "On my honor I will do my best to do my duty to God and my country and to obey the Scout Law." The recognition of God as the ruling and leading power in the universe and the grateful acknowledgement of His favors and blessings are necessary to the best type of citizenship and are wholesome precepts in the education of the growing boy. No matter what the religious faith of the boy may be, this fundamental need of good citizenship should be kept before him. The Boy Scouts of America therefore recognizes the religious element in the training of the boy, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the organization or institution with which the Scout is connected shall give definite attention to his religious life.

Only persons willing to subscribe to this declaration of principle shall be entitled to certificates of leadership in carrying out the Scout program. Article II, Section 2.

THE SCOUT OATH OR PROMISE

On my honor I will do my best
To do my duty to God and my country and to obey the Scout Law;
To help other people at all times;
To keep myself physically strong, mentally awake, and morally straight.

THE CUB SCOUT PROMISE

I, (), promise to do my best
To do my duty to God
And my country,
To be square, and
To obey the Law of the Pack.

Dear Paul:

Enclosed is a confidential record sheet on David Paul Longwy, Scoutmaster Troop 135, District #1, Chester County Council #539. Moral charges have been brought against Mr. Longwy in July. During the week of July 26th the troop committee were in the process of conducting an investigation to determine the validity of these charges. Several days after they started their investigation Mr. Longwy left town and to our knowledge has not been heard from and we do not know where he is, nor does his wife. Also, for your information, he left Parkesburg on his motorcycle taking several Scout uniforms, sleeping bag and miscellaneous Scout equipment.

Following the investigation the troop committee was able to secure a statement from one of the parents that his son was encouraged to commit an immoral act. A copy of this letter is attached.

I do not know if the attached letter is adequate to recommend that David Paul Longwy's name be placed in the Confidential File. We have not been able to get a statement or resignation from Mr. Longwy, but on August 5, 1971 we removed his name as SM, T-153. The investigation is still underway, but due to his mysterious disappearance and leaving with only Boy Scout uniforms and camping gear I felt that you should be notified.

Sincerely,

Walter Ryan Jr.

Statement from [REDACTED]

Parkeburg, Pa. 19365

To: Chester County Council, Boy Scouts of America

RE: Paul Longwy

In the early spring of 1971 at the Chester County Council's Spring Camporee at Hibernia Park, Paul Longwy, then Scoutmaster of Parkeburg Boy Scout Troop 135, made a sexual advance on my son, who was a member of the troop.

According to my son, the Scoutmaster and several scouts were sleeping in one of the leaders' tents under a common blanket of sleeping bags that had been zipped together. The scouts' pup tents were wet inside and out from a drenching rain during the night.

Paul Longwy took my son's hand sometime during that night and placed it upon his penis. Without acknowledging the incident and somewhat dumfounded, ("I didn't know what to do"), my son removed his hand from Paul's body.

Nothing was said of the incident immediately, my son said, for fear of getting Paul in trouble. He also admitted he was embarrassed by the incident. After several other boys had admitted to similar experiences, however, my son spoke freely of his own experience.

Re: Paul Longeway
Scoutmaster, Troop 90

Dear Mr. Steele:

Thank you for the confidential record sheet and the enclosed correspondence concerning Paul Longeway. We greatly appreciate the notarized documents. This is the type of material we need when placing a man on the Confidential File.

We have now taken steps to delete Mr. Longeway's name from our records and have placed all information in our Confidential File. This will enable us to identify Mr. Longeway, should he ever again attempt to register in the Scouting program.

I am sure you realize that this leaves Troop 90 without any registered leader. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Thanks again for your thorough report.

April 16, 1970

On April 11, 1970 I went on an overnight camping
hiking trip with five other boys and the Scout
leader Mr. Paul Longeway.

There were two older boys from the Scout troop,
Don Hershman and Redmond and a boy Mark
Mobley, who wanted to join. There was one
younger boy [redacted] of the Scout troop and
[redacted] and myself who wanted to join the Scouts.

We hiked up North Mt. to Taghan, where the fire
tower had been. After supper we made two shelters
and bedded down; the three older boys on one
side of the fire and my two friends and I in
the shelter on the other side of the fire.

Mr Longeway suggested we three younger boys
share our combined sleeping bags with him
for warmth.

Some time during the night, Mr. Longeway,
who was sleeping between [redacted] and me,
began to get his hands inside my clothes. After
fighting him off for half an hour I finally hit him
in the stomach then he stopped.

The next morning [redacted] said Mr. Longeway had done the
same with him. I don't know whether he actually got
his hands inside [redacted] pants or not. All three smaller
boys were very mad the next morning and I told my
parents when I got home. [redacted]

DECLARATION OF RELIGIOUS PRINCIPLE

The Boy Scouts of America maintains that no boy can grow into the best kind of citizen without recognizing his obligation to God. In the first part of the Scout Oath or Promise the boy declares, "On my honor I will do my best to do my duty to God and my country and to obey the Scout Law." The recognition of God as the ruling and leading power in the universe and the grateful acknowledgment of His favors and blessings are necessary to the best type of citizenship and are wholesome precepts in the education of the growing boy. No matter what the religious faith of the boy may be, this fundamental need of good citizenship should be kept before him. The Boy Scouts of America therefore recognizes the religious element in the training of the boy, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the home and the organization or institution with which the Scout is connected shall give definite attention to his religious life.

Only persons willing to subscribe to this declaration of principle shall be entitled to certificates of leadership in carrying out the Scout program.—Bylaws, Boy Scouts of America, Article II, Section 2, Clause 1.
