Q Alright. And where did you live prior to that?

A I lived in Lansdale, [REDACTED]

Q Could you go along uh to uh explain ahm in your own words ahm how it is that you uh became associated with Mr. Verney?

A Certainly. I was very much involved with Boy Scout Troop 178 and one troop meeting held, maybe Doug happen to be there. I believe he was teaching us, the troop first aide, ahm he does that work with the Red Cross. And as a boy scout leader he was involved with the troop from kind of then on, he wasn't an official scout master or an assistant scout master at that point, but he did show up occasionally to help with the boys, to teach first aide and to do court of honors and that kind of thing and within the boy scout troop.

Q Okay. Is Troop 178 affiliated with any uh religious organization?

A It is sponsored by a church, I believe it is uh a Lutheran Church, Christ Lutheran Church, I believe is the name.

Q And where did your troop meet?

A Ahm the troop meets in ahm it's in Kulpsville, I know where it is, I don't know.

Q In Kulpsville?

A Ahm it's, our troop is signed as a Coatsville Troop, it's ahm right outside of Lansdale. *Kulpsville. 1/2*

Q Alright. And Doug that you referred to is Doug Verney?

A Douglas Verney, yes.

Q Right. How old is Doug approximately?

A He is 45 years old, I can give you his date of birth if you want.

Q Alright, what is his date, date of birth?

A He was born on March 8, 1945.

Q Alright. And do you know where Doug resides?

A He lives at [REDACTED] Lansdale, PA.

Q Alright. That's actually in Towamencin Township?

A Uh yes, it is in Towamencin Town, yes, Towamencin Township.

Q How long uh have you known uh Douglas Verney?

A Ahm for about 2 years. The first time I met him was at that boy scout meeting when he came to teach first aide. It's about 2 years ago.

Q Alright. And as a result of that first meeting, you had an ongoing uh friendship?

A Ahm well, from then it was kind, a friendship kind of thing. Ahm, the way I really got to know him as you know, a relationship kind of thing was, he owns his own business; Countywide, Ltd. in West Point, Pennsylvania. And he asked me if I would like to come to work with him, you know to earn

[REDACTED]

a little money because at that time I didn't have a job, so he asked me if I would like to come and work with him, I said, sure. Ahm we worked on Saturdays basically, uh I think it was towards the end of the school year when he first came to the troop meeting, probably about this time, ahm to teach us first aide. And I went to work with him at uh about this time, I believe it was April. Ahm moving furniture with him, delivering furniture and that kind of thing and then through the summer, I did a lot more with the store and him because I didn't have school to work with. Cause I did a lot of work then but mostly it was on weekends to start out with, I did Saturdays and some Sundays and Friday nights.

Q Do you remember how old you were when that occurred?

A I was 15.

Q So that would've been in the Spring, Summer of 1988 it it it's 90, yours will be the Spring of 90, is that, you're 17 now, so that's going back almost 2 years?

A Yeah.

Q Is that correct?

A Yeah, it would be the Spring and Summer of my 15th that '88.

Q Okay. So working for him you got to know uh Douglas Verney a little bit better?

A Right.

Q Okay. Uh what transpired next in in your uh relationship with Douglas Verney?

A Ahm, as what we're getting in the case here or ahm?

Q Whatever

A I mean

Q Your words, so you just, you know.

A Uh, I had a lot of family problems working through through then ahm, I had involvement with the police and involvement with you know just bad family scenes. And so I was kind of like emotionally ripped up and that kind of thing. I think I was looking for somebody who was there to kind of be that comfort, you know that parent, parental figure, or something like that. And he had you know, through my talking with him, known that I had these family problems and that kind of

thing. And so if I would go on and he was kind of like a support person, uh you know much like a counselor and a person if I wanted to talk about what was going on he would be there, he would listen with that.

Q Is Douglas Verney then someone that you would ^{look} walk up to?

A Oh very much so, someone I use to trust very much, ahm very intelligent had, I was told that he had some psychological background, a little courses in college you know that kind of thing, very intelligent man. And yes, he was very much somebody I looked up to through boy scouts and that kind of involvement there.

Q Okay.

A Ahm, what the ahm and through in what I worked with him, it wasn't as much you know just an employee boss relationship, because of that extra bit from then to, we might you know, he would, we'd play game you know Othello or Chess or something you know. Stop by his place and you know have something to eat you know eat meal you know, take go to a movie or something like that. That all progressed during the summer that wasn't, towards the Summer and the Fall, end of that '88 I guess it would be. Ahm that's how rela relationship ahm along those lines came along. Work relationship, business wasn't really going too well. I worked in the store for awhile. Ahm I I worked a lot after summer school. I went to summer school that year and I would ride my bike up to his his work, and work with him and me man the store and do some moving of furniture and that kind of stuff around there. But ahm along the work lines that's you know what we worked with.

Q Alright, so it involved, the first time you really met him then was through scouting, then it was like an employer employee relationship and then because of other personal problems you were having, got in almost to someone where ahm you would go to him for counseling and advice or you would share your ahm your your personal uh difficulties with him and he would try to uh aide you through a tough time that you were having at home?

A Right, absolutely. Ahm also another area that I was involved with him in, he works for the American Red Cross and the Board of Directors, he's on the Board of Directors with the American Red Cross, and having worked with youth in the past and the Red Cross knowing this, ahm the North Penn branch of the American Red Cross wanted to start up a youth group, a youth council it's called. And they asked Doug, Douglas ahm if he would start that group, having worked with kids in the back, the boy scouts and other

groups that he has ahm worked with. They felt that he would be a person to kind of start this group up. Doug came to me with that idea that he was asked to do this and he asked me if I would like to head up the group as youthwise, ahm I said I would do that. And we started about the youth group and so we worked with the Red Cross together, along that, along those lines.

Q It was up in Lansdale area?

A Ahm it's the Lansdale area, in fact the North Penn branch is right in the heart of Lansdale in that deals with mainly the Lansdale area and it's the North Penn area.

Q Okay. Do you know what Douglas is doing for uh work now?

A Ahm, he is, in his official capacity he teach, he's ahm, the coporate instructor for the American Red Cross. He works out at the chapter building, first that's Southeastern Pennsylvania Chapter of the Red Cross. He teaches, he goes out to companies and teaches them first aide and CPR and that's a full time job, he gets paid to do that.

Q What is, what was the next stage of your uh relationship with Douglas?

A I can go right into the first encounter, which I aint suppose to do, you don't want to talk about him.

Q Well, no. I I want to take things if it's okay with you, when uh you know uh as a building a foundation, exactly what happened uh if it's.

A Okay. This, okay it'll go to this. Ahm through a lot of my uhm family problems and stuff like that I guess that sensed that I needed a lot of you know like physical support, like you know the hugging aspect of counseling and stuff like that. And so I would get you know or sense, he would sense that I was being a little bit emotional or a little bit up tight and he would come over and you know give me a great big hug you know, I'm there with you and I'm there for you and he'd go talk to me and that kind of thing. At that ahm, and that started back early in the Spring and the Summer there.

Q Of which year?

A Of '88, the one we've been talking about. Ahm through those aspects there ahm a lot of the times when when we would be working you know, it'd be a hot Saturday, being the Summer, ahm or you know hot Sunday we'd be delivering and you know doing this and that we would swing by his house and stop you

know get something to drink you know maybe watch a little t.v. briefly you know, just relax and put our feet up and stuff like that. Ahm through the course of that Spring Summer of '88 still, he told me that he was gay, he told me about you know, his relationship, how he was attracted to the younger people, he said he was very much attractive to me and he would just just told me he was gay, you know that he you know that's what happened the last, I can say about that. Ahm, you know he did say he was attractive to me and I knew after he had told me that he was gay, there was somebody else who was working with us in Country Bargins, a [REDACTED]

[REDACTED] And I'd realized that [REDACTED] and Doug were having you know gay relationship you know as that would go, I don't know how you want to term that. Ahm along those aspects and that didn't, you know I didn't find that particular offensive just as long as you know it wasn't me that was being the person. I could consciously say okay, well that's okay you're gay, that's great, you're your own person, that's fine. Just you know, just don't involve me in it, you know I'm not gay, I'm girlfriends and that kind of thing. Uh

I have f-s

Q Okay, where you said, when you say that uh [REDACTED] is that correct?

A Right.

Q He and Douglas were having a uh uh were had had entered into a gay relationship.

A Right.

Q And you indicated that you had noticed that, is that before that Douglas told you that he was gay?

A Ahm that was, I had known that that's what were going on, but being a fairly intelligent kid, I could see you know [REDACTED] and Doug's relationship a little bit more than that boss employee you know it was even, you know I could, I knew that my relationship with Doug was a little bit more than boss employee, but with [REDACTED] it was you know, to the extent that [REDACTED] would stay over to his house a lot overnight. Uh they would you know go to the movies or do all kinds of things together. And I's sense just from you know phrases here, pick up on it, you know hear a line there that you know there was something going on, but I didn't know for sure. You know I didn't catch them in the acts or I didn't, [REDACTED] didn't tell me anything like that, I hadn't known for sure.

Q But as a result of these different phrases that you heard and their activities that they were engaged in you felt that there was uh a re a re

[REDACTED]

A Uh a relation

Q Different relationship?

A Yeah.

Q And what kind of relationship uh did you expect? And what I mean my that [REDACTED] is, did you suspect that that was strictly a platonic relationship or maybe a sexual relationship in nature or, I don't want to put words in your mouth but I got to know what you were thinking.

A Okay, I did, okay I did suspect that it was a sexual relationship. Ahm at you know the gay sexual kind of relationship involving with that. Not you know like like my kind of relationship, it wasn't at that point, kind of like counselor, emotional kind of help, I did suspect sexual.

Q And that was between [REDACTED] and Douglas and that was when you were 15 back in the Spring of 1988, Spring Summer.

A Right yeah.

Q Okay.

A Very end of Spring, more like this time I guess, I guess more Summer than Spring.

Q Okay. Uh and then was it around this time when uh Douglas told you or confided in you that he was gay and had an attraction to uh younger people or was it sometime later than that?

A No it was about this time. Ahm more towards the Summer, we're out of the Spring now when, I don't know whether he felt confident enough to tell me or whatever he was doing but he did tell me he was gay ahm, I did suspect it, again whenever through phrases, whether that means anything, but he did tell me he was gay. Ahm you know I was afraid to ask any questions, not that I wanted to and all kinds of involvement with that. I mean I could ask the questions involvement like that. Ahm he did tell me he was attracted to me. He didn't necessarily say you know, kids along those lines, he just kept it kind of you know like you know he was attractive to males and I just happened to be somebody that he was very much attractive to and that kind of thing.

Q How did that make you feel?

A Ahm, it didn't feel, I mean I didn't, I could care ~~one~~ less, one way or another. You know it wasn't me he was after, I

could see you know, I'm sure I can, I guess I can be attractive to females as well, to males as well as females, you know, just that he was gay. But he was gay by himself, I wasn't involved with that. What he wanted to do with his personal life, maybe gay behind closed doors kind of thing. That's what it was.

Q Okay [REDACTED] what happened next?

A What happened next, ahm uh what happened next, okay. Ahm through the Summer we'll get into ahm, stopping by his house, again, I'd said that we stopped by you know occasionally to get something to drink, this kind of thing. And I also had mentioned that he, it was a lot of physical hugging in that kind of aspect, that even though after he told me he was gay, I still allowed him to do that because I didn't think that there was any sexual undertones or overtones, so that helped, I didn't want to state that. Ahm one of the times that we had stopped by his house, I'm not sure what the exact date was, I know it was still that Summer, ahm right around my 16th birthday ahm I again, I'm afraid I don't know whether it was before that or whether it was after that, ahm we were moving him from his apartment in Chatham Village with a roommate that he had that that the alleged relationship didn't work, it was a gay relationship with his roommate and he was moving from one end of Chatham Village to the other end and me and [REDACTED] that I mentioned, [REDACTED] and some other friends of his were just moving his stuff, we were helping him move. Ahm I wish I could remember the date, maybe that was more towards the end of the Summer. Again this is, I didn't have any real reason to think back, but it was still that Summer then in that that we moved him. So when he moved, it was it had some other people helping him out but we were just finishing up, everything had been pretty much in his house, you know bedroom sets setup, living room stuff setup, we were just making little trips and you know it just was Doug and myself, and ahm putting some bedroom set in, some stuff in the bedroom, I wound up, this is how lonesome I was sitting on the bed for whatever reason and we'd gotten into a discussion about what I would, I imagined what it would be about, it would be me and my parental problems and that kind of thing, whatever it was it was an emotional thing with me where you know Doug would do the hugging then again and that kind of thing. Ahm I wound up you know relaxing, lying back on the bed or whatever it was like that and he was hugging me, we were lying down on the bed and he was doing the physical kind like hugging and I guess I was crying. Ahm I really don't know that for sure that I was crying but it was that kind of, that kind of incident. Ahm he wound up ahm whether moving down saying you know whatever it was, but his head was lying on my stomach, belly or whatever, and hugging

[REDACTED] my hips kind of thing, and he was brushing his arm, elbow ahm in my genital area, I don't know how you want me to term that that's what [REDACTED] said, and you know that kind of with his elbow on, I'm tempting, kind of like you know, who I you know like what's this down here and you know, is he awake and my kind of thing like that and he made motions to unzip the zipper of my my pants, they were zippered pants and you know like first I was kind of like you know, no you know, don't do that, you know I don't want you to do that but for whatever it came about I let him, I said yeah, okay and it was kind of like alright, go ahead. And from there he proceeded to, kind of oral sex, you know I guess kind of like that with the genital area. And uh it was tensed for me, I wasn't, I wasn't you know sure what was going on you know, why was I letting him do this you know, was it experimentation on my part, I wasn't, I wasn't enjoying it, I wasn't you know, I really wasn't sure why I was letting him, why I was letting him do it but I did. You know it it was pretty brief, it was probably, I mean I can't give you more time, but it wasn't long. I didn't ejaculate you know, I guess I just kind of said you know enough of that or whether he you know, he decided well maybe I don't want to, you know I don't know how it ended, but what it in that particular day, you know I was kind of zipped by up and zipped my fly up and go out in the living room and help him do some more stuff or whatever like that.

- Q Alright. And this would've still been that first Summer? 1977
- A I, it was that first Summer. I just remember, I just, I can't remember the time that he moved, but I remember the weather was still nice and warm. I'm still wearing shorts ahm that kind of thing.
- Q Okay. So still as far as you can remember, that's still the Summer of 1988, when you were 15 years old?
- A Ahm except that my birthday was in June and so it could've been that I turned the end of June, so it could've been still Summer but I might've turned 16.
- Q Okay. If you were, uh so it could've been
- A Right because I don't remember the date of his move. I know that it was the first the that particular encounter was when we moved him.
- Q Okay.
- A From Chatham.
- 

Q So you're going to be 18 when?

A I'm going to be 18 in June, [REDACTED]

Q Alright. So you could've been, alright if it was after June you were 16, if it was before June you were 15.

A Right, right.

Q Uh but you're pretty confident that that was still in in sometime around that Summer or Spring Summer of 1988?

A Yes, very possible.

Q Alright. Now when you say that this was at, do you remember which apartment this was in at Chatham Village?

A It's the one he's presently living in now, [REDACTED]

Q [REDACTED] Was there anybody else there?

A No.

Q Uh and this was, when you say that uh oral sex occurred, that can you be a little bit more ahm specific?

A What terms do you want me to put it, you want me to use slang?

Q Whatever you feel comfort with.

A Ahm the term blow job. Ahm everybody knows the picture of that, I don't know how I can explain it to you more than that you know.

Q Alright. Okay so exactly, okay so uh [REDACTED], you correct me if this is wrong, because I want to certain, I don't want to put words in your mouth but I'm going to you know just try to, try to uh you know when we talk about oral sex, people sometimes think of different things but at this point and time, Doug placed his mouth on your penis?

A Right, yes. That's what I'm referring to.

Q Alright. And for whatever reason ahm that ended before you ejaculated?

A Yes.

Q Okay. Ahm was there a uh another uh such in uh incident or episode?

A Ahm, there was there, I mean countless since then you know, ahm fortunately the that being the first encounter I guess I tended to remember that. But I'm afraid you know during this, you know I know there were others and eventually I guess I ejaculated from them. Ahm I'm I can't give you anymore exacts you know from that Summer, but I do know that our relationship progressed to such where I was you know, it was almost a consenting kind of thing to have a sex with him engage uh you know sex with him. Ahm many times, numerous times ahm since then you know through my 16th year and a little bit into my 17th year that relationship kind of stopped in December of '89 I guess it would be.

Q Alright. What other type of things would uh you engage in?

A Ahm, you know basically that's it you know, masturbation, ahm hand and penis' and mouth and penis, ahm you know, he would experiment with trying to you know, kiss me, you know your french kissing and that kind of thing but that was a no on my part right away, he did try and do it you know he, you know try this you might like it and that kind of thing. But that was, that wasn't anything you know, I just quickly said you know, no to that. Ahm there was no anal sex. That's something that was brought up, there was none of that. Ahm.

Q Alright. When you say masturbation, who did what to whom?

A Ahm he would do it to himself, me you know why I'm next to the bed, I ended up you know, you stand here here you know watch this or he would do it to me, ahm you know and eventually I would do it to myself with him watching there you know that kind of thing.

Q Alright. Now did most of this activity occur where?

A Ahm in his apartment, in his bedroom, upon his bed, on his couch you know maybe, you know, and not maybe but at [REDACTED]

Q And how often do you think, could you average if you were to average on a weekly or monthly basis, how often this occurred, how frequently?

A Ahm, it's, it's, it's in the first beginning parts you know, I'm sure, I I can't say I'm sure, but I again, I don't, I really don't remember. But I know it was kind of like maybe a once a week kind of thing, you know maybe go you know twice a week you know and then really backing down again, because I really decided you know no way with this end of December in

[REDACTED]

the Winter of '89 and I cut it off then. You know no more sexual relations at all. So inbetween that period it could be you know maybe you know once average, average you would say once a week and twice a week.

Q Okay. Were you ever uh video taped or photographed or anything of that nature?

A Ah yes, there were polaroid video ^{and} polaroid pictures taken numerous, numerous occasions and once a video tape was taken. Ahm the polaroids were of various you know sexual acts taken place, you know masturbation or you know oral sex and we're talking about mouth and penis you know we've taken a picture of that, you know he would ask maybe ask me to take a picture of him you know engaging in that or you know, he would ask me to you know do it for him and there was exchange on my part too, I would in the oral sex we talked about here, mouth and penis to him of Doug and we're talking about him and he would take pictures of that and you there would be you know various other pictures you know like that, you know me wearing just underwear, would take a picture of that or some, and ahm the video tape is just various sexual you know, I mean he had the video tape on a tri-pod and it was focused on the bed and that was him and I there and you know.

Q Okay. And you didn't object to the video taping or photographing at the time?

A Ahm no, I really didn't you know say to him no pictures, object to them like that. I probably thought you know it was kind of fun, kind of you know different you know, who doesn't like to have their picture taken and that kind of thing. Uh ahm, but no I don't think I said to him you know, no, no pictures.

Q Do you know if anybody else during this period of time was ever photographed or video taped?

A I do know that [REDACTED] that we talked about, there were polaroid pictures taken of him. Ahm I've seen them in in same that we're talking, the aspect of me you know the various sexual activities going on. Ahm, I'm not, I'm, I've never seen a video tape with [REDACTED] in it. I do not know if there's a video, an honest to god video tape with [REDACTED] taken.

Q Okay. When is the last time uh you had any kind of contact with Doug?

A Sexual contact, uh I mean

- [REDACTED]
- Q Sexual contact, personal contact, telephone contact.
- A Okay. Today is the 26th, I talked to him, Thursday the 26th, Monday of this week, so that would be the 20, 23rd, I imagine, 23rd.
- Q Okay.
- A Ahm and that was just you know I I went over his house to you know to talk to him and see how he was doing and it was that kind of thing.
- Q Alright. How would you term your uh relationship with Douglas now?
- A Uh right now I'd say there's no relationship at all. Ahm you know short of me going over his house to see well see in light of the situation that's going on now, I was kind of you know a little bit, I guess duty bound uh duty bound obligated to see how he was up, and kind of to let him know what was going on, which I did let him know everything that was being involved here police wise and what I, what I could know about what was going on.
- Q Okay. We're going to uh change sides of this uh tape onto uh side 2. This is the taped recorded statement of [REDACTED] continued. Okay [REDACTED] getting back to the phone conversation you had with uh was it a phone conversation or was that a meeting on Monday?
- A Oh the last, the last time I saw him was, it was, I was there, I was there and you know, and personally.
- Q At at [REDACTED]?
- A At [REDACTED]
- Q Okay. Now you said you talked to him about the police business and so forth, about the police involvement.
- A Right.
- Q What, how, what led to that?
- A What led to that? just me initiating it. You know uhm I told him you know I, I came right out and I said to him you know, look, my mother got a phone call at work ahm they're going to ask me some questions, that's how you know, I told him that last, the previous Monday, ahm when everything started, I, I let him know then what was going on and through the week I kept him posted.
- 3-18-80
- JK

- Q Okay. So you said that you felt obligated to tell him that, look I uh, I'm having some doubts about what I should be doing, or what I'm doing here, so I contacted the police or what happened?
- A Me contacting the police, no I had no ahm police investigation having started, I do not know how it started, but ahm it wasn't initiated by me in anyway. And when I was first talked to by Detective O'Malley, ahm I was very you know I didn't want to tell him anything, I really had no ideas of cooperating at all. You know telling anything about my relationship with Doug, ahm anything about that, I guess I saw him Tuesday of last week. Oh I had no idea or inclination to talk to talk to at all discussing you know what was going on.
- Q Um-hmm.
- A Ahm, and you know I felt inside, that I felt personally that you know although what I was being told about Doug's type of person, whatever you know, if you can stereotype it and you know, he he fit the match, you know all the way along of the Pedafile that was read to me, ahm I was read the case files, not case files, but ahm I was from the uh codes book, I guess it would be ahm
- Q Oh you're talking about the uh what particular statute that that would violate the law?
- A Ex exactly, yeah.
- Q Okay.
- A He he read, I had I had not said to Detective O'Malley, you know, yeah this happened, that happened, I didn't deny it, but I didn't tell him he did, so.
- Q You didn't, okay. So as a result of the investigation they already initiated, apparently your name surfaced and they contacted you?
- A Yes, yes they did.
- Q Okay. And after you were contacted you felt obligated to let Doug know what was going on?
- A I did.
- Q To some degree?
- A Yeah.

Q Okay.

A Right.

Q That's fair. Uh what uh, did you know what response did he make to that, anything?

A Ahm he was very upset and very worried and couldn't uh, very scared. He told me that he was very scared of this. Ahm uh that that's what his reaction was to it. When I first told him what was going on, I had told him in a note, you know I had stopped by his house, he wasn't home and I kind of you know wrote it down on a piece of paper. My mother had been contacted, so I went by the police department, they wanted to ask me some questions, ahm I don't know anything more than that, but that's all that was on the note.

Q Okay.

A Ahm, the next day we went to the police station and that should've been Tuesday, Monday night I left the note at his house, the next being Tuesday, I talked with Detective O'Malley ahm from then. And then after that that I got a call from work that night. I got a call from work that night ahm from Doug asking you know, well what, you know what happened ^{at} this.

Q Um-hmm. May I ask what prompted you uh you're here today obviously and you wanted to tell us your story, uh as to ahm what occurred over the last couple of years, and uh what changed your mind?

A Well I guess I can get into some, I guess I will get into some other ahm, a friend of mind, [REDACTED] who was also in my boy scout troop, who was also involved with me in the Red Cross Youth Council that I started. Ahm Doug had told me when I had let him know that you know the police were investigating this, he said well, other than you, I'm basically clean. And then he said except one incident with [REDACTED] he meaning [REDACTED]. He'd he'd also said at that point, I'd I'd mentioned [REDACTED], he said well [REDACTED] being 19, that that's not going to apply now so, [REDACTED] aside, Doug said that there was only one other incident, meaning being with [REDACTED], and he said with [REDACTED]. He didn't go into any details about that, I didn't know anything about you know what had happened but ahm, with [REDACTED] but when he said [REDACTED] you know that really, that that upset me because for whatever reason you know, my magnetic personality or whether, I'm idolized by [REDACTED], that's that's a clear indication to everybody. And I kind of look out for [REDACTED] in the boy scouts and I've always been someone who if [REDACTED] got a problem, he could come to me you know. Ahm if

[REDACTED]

there's a problem in school. I'd go beat the kid up for him, you know something like that. Ahm and so when he said [REDACTED] that really you know, inside me that was like, you know I can't like, you know I really don't want to know about that. So I called Detective O'Malley you know I said, you know I really want to talk to him, sometime inside me said, but I wanted to give him [REDACTED] name too. Ahm but I've been saying Monday and Tuesday here, I think I'm wrong. I, because being at work, I never work on Tuesday period, end of statement, so when Monday and Tuesday here is pushed back today, I don't know how, I'm going to correct it on the tape. Must have been last Wednesday. Monday, meaning my mother was called from Detective, uh Tuesday my mother being called by Detective O'Malley.

Q Okay.

A Ahm

Q So Tuesday uh

A Tuesday was the call

Q So Tuesday a week ago.

A Tuesday a week ago. Tuesday was the call from Detective O'Malley to my mother, ahm Tuesday being when I first dropped the note off at Doug's house and then Wednesday having the interview at the police department with Detective O'Malley. Wednesday being, meaning at work, getting the call from Doug saying, you know what's going on here, I'm really scared and that type of thing.

Q Okay. So it wasn't, today is Thursday, it wasn't last night, it was a week ago?

A Oh yeah, a week ago.

Q Okay.

A Bout a week.

Q Ahm now we need, you had mentioned the polaroid photographs and a video tape, that was at least one video tape that was uh taken over at the [REDACTED] address, uh you saw those yourself, you saw those personally?

A Oh yes, I was ahm, the polaroids and video tape of me I saw personally, because I was there when they were happening, but ahm I've also seen polaroids of [REDACTED] as I said earlier, in the uhm, in the tape.

Q Alright. When is the last time you recall seeing those photographs?

A Ahm, last time I know I saw the pictures of me and the pictures of [redacted] and other pornographic material, if you will, when I found out from my mother that the police were investigating it, ahm that would be probably, Tuesday night I went over to Doug's residence at [redacted] to get the material out, the pornographic material concerning myself, and I saw them then and I took them from his house.

Q Okay, now was that two nights ago or a week ago?

A That was, again, that was a week ago.

Q Okay.

A Ahm, bu bu bu, I saw, you know all of his pornographic material was still there, all that he's collected. His other video tapes. He had other video, just like you know that you could buy in a store, that kind of thing of pornographic material.

Q Okay. Okay, uh what, can you describe when you say pornographic uh tapes?

A Ahm homosexual, there were no heterosexual going on, and I had seen the tapes you know on occasion, he would show me. I think I've pretty much only seen like one or two them. I really was not interested in seeing them at all and I let him know that and so the tapes that I've seen, I say there were probably only two total, you know, I, there was no heterosexual activity at all. One of the tapes also involved short skits, but it was child pornography in video tapes.

Q How many video tapes do you think uh Doug has?

A I can't count that high, well ahm, uh I'd say a numerous, ahm quite a collection of video tapes themselves, 20 tapes maybe.

Q Where, where, where does he keep them?

A He kept them at his [redacted], he would keep them at his [redacted] address, ahm

Q Specifically where?

A Specifically, he had a ahm an armoire that he kept it in, he has a nice bedroom set and he kept them in the armoire behind the closed door you know in with some sweaters and stuff like that.

Q And that, the tapes and the photographs, did he keep everything together?

A Ahm he kept the tapes, no only the tapes were kept in that place, the reason I say I know I saw the tapes then, was because I went and got my tape from there, the tape that involved me in it, I went and opened and and did see the rest of his tapes, then I got my particular tape out. Ahm the pictures were kept in a different place, he kept them in all kind of different places. Ahm the particular pictures of me were kept in a photo ablum next to his bed, ahm I mean between his bed and his nightstand he had there, they were kept in a photo ablum.

Q Can you describe the photo ablum for me?

A Ahm sure. Ahm as as mush as I can recall, I believe there was a white photo ablum, ahm the pages were black inside and written on the photo ablum in gold letters were photo ablum. Ahm and in that photo ablum there were numerous, I can't even tell you how many pictures of me, ahm involved with him, the pictures that we talked about earlier. There were also some in there of [REDACTED], I believe, I didn't, I hadn't really known that he had put my pictures in an ablum until you know I found the ablum. Because they were taken you know I was kind of looking through, like I found the ablum next to the side of his bed there and you know I really didn't look through it, I saw that they were pictures of me and I said, I knew I knew that's what I wanted, cause I was looking for that to take it out of his house, that involved me. And there were also pictures of [REDACTED], I just happen to notice a page.

Q Okay. So did you collect the video tape and the photographs?

A Ahm, only yes, I collected what concerned me. I took the video tape and I took the photographs that was in the ablum, I also opened the drawer of his nightstand, where I knew he kept some of his pictures of from past relationships of his, ahm not necessary, not child relationships, but other gay relationships that he's had you know legitimate gay relationships, he had pictures of those and he's got all kinds of pictures. Ahm I knew that he had kept some in the nightstand, so I opened up the nightstand and I did see that there were more polaroids of myself, ahm the polaroids, as we'll call them I guess, and I took those also.

Q Okay. And what did you do with those?

A What did I do with them, I stuck them in a white trash bag and I took them out to my car, I drove a ways ahm to a

[REDACTED]

location of a housing development that was just being, this is being built presently, so it's still under construction, I don't think anybody really lives in this development and, and I threw them into a dumpster that are construction's, I'm sure there wasn't any one of these little green dumpsters, it was an honest that big, it was just a construction dumpster.

Q Do you know what housing development it was?

A Ahm, I'm afraid I don't, not, I know where it was. You know I've told Detective O'Malley where it was. Ahm uh but the name of it I do not know, which I'm sorry.

Q Okay, but you would be able to take us?

A Oh yeah, oh yeah.

Q Okay. To the best of your knowledge are these, the rest of the photographs and the pornographic material over at Douglas' apartment, uh to the best of your knowledge, are they still there?

A Ahm no. I know, I guess, I guess, we going have to say that that's my knowledge, they're not there, ahm let me tell you a little bit about first, before I tell you where they are, you know where they are, he told me where they were. Ahm other pornographic material that he had in his closet was in a large box ahm, a large box and absolutely filled with child pornography ahm, ahm, magazines you know, ahm from foreign countries, you know he had magazines, I guess that they were just like basically, magazines and different kind of things like that, along with child pornography.

Q Okay, when you say a large box was uh similar to that brown box that you're looking at?

A It'd be bigger than the [REDACTED] box.

Q Okay. Indicating approximately uh 24 by uh 18 by 18. So it's larger than that, okay. Uh something larger than that. And that's filled up with commercially available uhm, pornographic material?

A Yes, ahm, right, yes.

Q Magazines, books

A Yeah magazines, books ahm, Advocate Men, which is the gay magazines, he's also had back issues of those in there, ahm various things that he collected and that kind of material in that in that box, the cardboard box.

Q Okay. Now what did he tell you that uh he did with it?

A Oh yes, ahm, one of the times when I went back to his house, uh I I guess since I first let him know that the police investigation was going on I probably saw him, I saw him twice, and I talked to him on the phone twice. One of the times that I saw him in person ahm he had told me that he had gotten rid of his material and I did, and he had because you know, you know, I I would've been able to see, I was you know in the living room you know, the photo album, his, he had ransacked his bedroom, he said to me that you know he was up til 3 o'clock the night before, 3 o'clock a.m. the night before, that I was talking, the night before I was talking you know, ahm going through and cleaning up, getting you know, piling all his ahm, I will say porn, I guess pornographic, pornographic materials. He said that he collected them all, cleaned out his house of all that kind of material, all that sort of material. And delivered it to a friend's house of Arthur Faulk. Ahm now I say Art, Art had nothing to do with any of my goings on with Doug, ahm wasn't involved in anyway with that. He's just kind of like somebody who Doug is storing material at.

Q Okay. How do you know him, do you know Art personally?

A I do know Art, I've met him many times, I met him through the Red Cross ahm through various CPR that I would do you know, he might help me teach a course or something like that.

Q Okay. Do you know if uh what kind of relationship exist between Douglas and Art?

A Ahm, Doug and Art are simply friends. Ahm they they had they have no sexual contact, I mean not uh, Art is gay, uh Art is gay, he uhm you know is gay. But Doug being gay and Art, they don't have a sexual kind of relationship, that I'm, that I'm aware of.

Q Um-hmm.

A Ahm, so it's simply you know friends, you know, ahm they met through the Red Cross, I know.

Q Alright. Has Art ever made any sexual overtures to you?

A No, none at all.

Q Alright. How do you know Art is gay?

A Ahm, because he's told me, I you know I'd have conversations with him about you know, he'd talk about past lovers, or you know different, but he has told me that he's gay.

- [REDACTED]
- Q Okay. Do you know where Art lives?
- A I, Art lives, he lives above a florist, Lansdale florist in [REDACTED] on [REDACTED], Lansdale. I'm not sure of the exact address, but ahm, he lives in an apartment above the Lansdale florist, right in Lansdale.
- Q Do you know how long he's lived there?
- A Ahm, no I do not.
- Q How long have you known Art?
- A Art, I'd say I've known Art for about 18 months a year and a half.
- Q Now when did, when was art supposed to have taken this pornographic material?
- A Ahm thinking back now, I, when, I think it was when I first let Doug know that you know something was up and people were invest, the police were investigating him, that night, I guess if it was the Tuesday, nine days ago that I first let Doug know the letter that I that I left at his house that night he'd stayed up til 3 a.m. that morning cleaning it out, so I imagine it would be the next day. I don't know for sure whether it was the following, I mean, I'd imagine that it would be the next day, daytime that he gave the material to Art. He, he simply told me that it was at Art's house.
- Q Okay did he tell you where at Art's?
- A No, not at all, just that he was storing it at Art's.
- Q Now do you still talk to Doug?
- A Ahm, I, not, last, last time I talked to him was Wednesday of this week, this being Thursday, four days, uh the 23rd I guess we decided it was the 23rd, the date was the 23rd, but I did talk to him that Monday night, ahm you know just kind of uh you know to keep him updated on what was going on, I haven't talked to him since then, but I talked to him then the material you know, he didn't tell me anything different about it but it still wasn't back at his place. Ahm that was the last time I talked to him.
- Q Now was that, did you physically go to his apartment, or did you talk to him on the phone?
- A Uh that was a physical, I physically went to his apartment and talked to him on the telephone. Ups, okay strike that.

[REDACTED]

I physically went to his apartment and talked to him in person.

Q Okay. Uhm, during these uh various uh photo sessions and when the video tape was made with you in it, uh do you remember when the video tape was made?

A I do not remember when the video tape was exactly, but I can give you an an approximation of time. The reason he had the video camera he'd borrowed it from the [REDACTED] Ahm being [REDACTED] that would've referred to his father, ahm the father being the scout master, but the [REDACTED], ahm to tape his daughter's ahm school play. He'd borrowed the camera to do that. Ahm and that was, I'd say that was March of last year, the end of February, the beginning of March of 89, of 89 that would be about the approximatly that he would have borrowed the camera. I know just that he had to return the camera right away, so I just, you know that's the only reference I can make as to the time, I I know it was like well a year ago, that you know a year, I was still 16. p/c

Q Okay. So it was Winter or Spring of last year?

A Yes.

Q Ahm, has, has you talk to uh [REDACTED] lately?

A Ahm hearing from Doug that [REDACTED] had been involved with it, I was pretty uptight about them, I was worried about that. I didn't call [REDACTED] myself, but one night at work, ahm I believe it would've been Thursday night of last week, a week ago from today, I got a telephone call from [REDACTED] at work and [REDACTED] was absolutely hysterical, ahm as in crying hysterical. Ahm, he had said that you know it was kind of a, what's going on kind of thing. He had told me that his parents had been contacted by I, by the police and that they had asked [REDACTED] you know, what was going on, you know if [REDACTED] had any idea of what was going on with Doug, that kind of thing. Well [REDACTED] didn't talk to his parents at that point, from what he told me on the telephone. And he was you know really upset and not knowing what was going on and [REDACTED] did tell me that ahm that he had had contact with Doug. He didn't explain it any deeper than that, that that he had had a sexual contact with Doug, not just you know personal, a sexual contact with Doug, he didn't go into it any deeper than that and the phone conversation was mainly a you know, what should I do kind of conversation. Ahm he had asked me if I was gay and because he he knew of my relationship with Doug, not on a sexual basis, but at that point he did know that it was a sexual relationship with Doug, prior to. Ahm he wanted to know if I

[REDACTED]

was gay you know and it what Doug, what he'd been told that Doug did to me, cause you know, okay by me, I'm legitimate and that kind of thing, cause he was.

Q Okay now, do you know who told him that, would Doug have told him?

A Ahm about my my sexual experience with him, yes. Ahm [REDACTED] didn't tell me this himself, but my my my girlfriend, she lives with me and [REDACTED] knows that you know, she's really close to me and I told [REDACTED] on the telephone that night that he could talk to her if he needed to. Well [REDACTED] happened to call my house ahm day before yesterday, being Tuesday I guess it would be, and was talking to [REDACTED], is her name, and you know they they talked for awhile and what it came out to be was that Doug had showed [REDACTED], this is what [REDACTED] told me from what [REDACTED] told her, that Doug had showed [REDACTED] the photo album that I spoke of, of me the the pictures of me and that by showing [REDACTED] the pictures, kind of saying to [REDACTED], okay you know, [REDACTED] did it you know, he's gay, this is some of the things you know, I don't know what he tried to accomplish from that, I can only speculate that maybe he was, since [REDACTED] did indeed look up to me and Doug, I, again, I don't know, Doug might've suspected that by showing [REDACTED] this that he could have some kind of sexual contact with [REDACTED]

Q Okay. Now when I asked you earlier where you lived and who you lived there with, you didn't mention [REDACTED]. When you but you just said she lives with you.

A Okay. Ahm yes, you want me to, I can into why she lives with me, ahm

Q No, it just but

A Okay, ahm also living at my residence at [REDACTED], and all that, [REDACTED] my girlfriend, lives with me in the house. She's 18, she doesn't live with her parents, she lives with me.

Q Okay. And how long has she lived there?

A She's lived there for about a month and a week now.

Q Okay. Uh so from your direct conversation with [REDACTED] and from what [REDACTED] has told [REDACTED], ahm that prompted you then to uh share with the police what you know?

A Yes, absolutely. And also from [REDACTED] originally ahm finding out what really did of these problems that I found

out that [redacted] had, that there had been an encounter with [redacted] and so that's what prompted me to speak with the police.

Q Okay. Uh other than the uh the photographs and the video taping which you were involved in and the uh masturbation and the oral sex and what what I'm saying the uh ahm both ways, in other words, you know, he masturbated you, you masturbated and visa versa with the oral sex

A Right.

Q Other than that activity, was there any other sexual activity?

A Ahm, no. I mean there really wasn't. Ahm the reason I say, really wasn't is because you know, I don't know what would be classified to say, I mean I can

Q Other than you said that you

A Right, I mean

Q experimented with the the the kissing, the french kissing but you didn't like that, what I'm other than what we've already discussed, was there anything else that occurred between uh you and Doug?

A Ahm no, there, uh well not on a sexual basis, Doug and I I'll tell you a little bit out of about my relationship with Doug. What it had progressed into over the last year, year and a half was one of, I had plans of moving out with Doug, a very unhappy, me being unhappy with my home life, I wanted to be out of the house as soon as I could and at the time of my 18th birthday, I had planned to leave the area with Doug. And so knowing that that the relationship would kind of evolve around that, ahm, we had a very good relationship, ahm sex aside, we had an excellent relationship, very friendly relationship, very ahm I'll say trustworthy relationship you know we talked to each other. Ahm I felt very comfortable in that relationship, sex aside. I did feel very uncomfortable with the sex, uh the sexual part of it. Ahm and I ended that at about December, I pretty much ended

Q December of 89?

A December of 89. December, January, December 89 then January 90, 1990. Ahm about that time I ended sexual relationship and pretty much within that same month I kind of ended our uh personal, I mean friend relationship too. I don't know I mean that's another story, but all of that ended at about December.

Q Alright.

A The wintertime.

Q Is there anything else that uh you would like to add to your statement, [REDACTED]?

A Ahm, nothing that jumps out at me right now.

Q Detective O'Malley do you have questions?

Detective O'Malley:

Q [REDACTED] I have one question for you or a couple of questions. Just to clarify Doug, Doug Verney's address on [REDACTED], is it [REDACTED]?

A [REDACTED]

Q Do you have any idea how old [REDACTED] when he began his relationship with him?

A Ahm, I'm afraid I don't know the age wise, but I'm going to say about 14, 13, 14 ish. Because I do know that Doug's relationship with [REDACTED], started when [REDACTED] was working as a paperboy for the North Penn Reporter and he was a paperboy to Doug. Ahm and Doug explained to me his first sexual encounter with [REDACTED], I don't, I I guess he really didn't go into it, but I know it was [REDACTED] as a paperboy coming into Doug's house and you know the sexual encounter from that. I'm afraid I don't know the exact age, but I'm going to say around that because I know [REDACTED] and Doug's relationship you know I guess five years, four or five years.

Q Okay.

Detective Davis:

Q [REDACTED], how how how uh how do you feel that you've been treated since you've been in here this morning?

A Oh with uh in in the courthouse here, oh excellent. Ahm I haven't been pushed to do anything, everybody has been totally cooperative. Ahm I've been it's been stated many many of times that you know I'm the victim here, I have, I can do whatever I want you know I don't have to make a statement, I don't have to do anything, ahm treated very fairly, everything I'm doing here is you know totally on my own accord.

[REDACTED]

Q Is everything that you've represented in your statement to us this morning true and correct to the best that you can remember?

A Absolutely to the best of my knowledge, everything I've told you is the truth.

Q And if necessary at some future point, would you be willing to testify in a court of law as to the information that you've provided in your statement?

A Yes I would.

Q Okay. We're going to conclude this statement, the time is now uh 12:12 PM.

I have read carefully the foregoing statement consisting of 28 pages, have been given an opportunity to make corrections, have signed each page as evidence thereof. I am willing to testify to the facts contained herein, and the statement is true and correct to the best of my knowledge and belief.

22 In essence, he will be pleading
23 guilty to two charges of involuntary deviate sexual
24 intercourse, three charges of corruption of morals of a
25 minor and one charge of sexual abuse of children. There

1 is no plea agreement. Both counsel and I are requesting
2 a presentence investigation prior to sentencing.

3 THE COURT: What is the
4 defendant's bail situation at this point?

5 MS. COLETTA: The defendant is
6 incarcerated, Your Honor, on --

7 MR. MILLER: Your Honor, I don't
8 know the amount of bail, but we are not attempting a bail
9 reduction at this time.

10 THE COURT: Very well.

11 MS. COLETTA: It looks like
12 \$40,000 cash bail, Your Honor.

13 THE COURT: Very well. Mr.
14 Miller, is that your understanding of the agreement?

15 MR. MILLER: Your Honor, it is.
16 The only thing I might add is as follows: At the time of
17 sentencing it's my understanding that the District
18 Attorney's Office will not be asking that any mandatory
19 minimum sentences be imposed and there be no specific
20 recommendation of sentence from the District Attorney's
21 Office. I believe they will be asking for State time,
22 but there will be no specific numbers mentioned to Your
23 Honor.

24 MS. COLETTA: That's correct, Your
25 Honor. There is a possibility that a mandatory might

1 apply on this case. We are foregoing the mandatory for
2 the giving of the guilty plea. The Commonwealth did
3 explain to defense counsel that we would in fact be
4 seeking State time but would not in fact suggest any
5 numbers to Your Honor.

6 THE COURT: Very well. Mr.
7 Miller, would you proceed to qualify your client, please?

8 MR. MILLER: Thank you, Your
9 Honor.

DEFENDANT'S QUALIFYING EVIDENCE

12

... DOUGLAS JEFFREY VERNEY, having
13 been duly sworn, was examined as follows:

14

EXAMINATION

15 BY MR. MILLER:

16 Q. Mr. Verney, I'm going to show you what we've marked
17 as D-1, and this is a guilty plea colloquy. Have you
18 seen this document?

19 A. Yes, I have.

20 Q. And, in fact, you filled this out and the writing on
21 this document is yours?

22 A. Yes, it is.

23 Q. The initials on the bottom of each page are yours
24 and you have signed on the last page as have I?

25 A. Yes.

1 Q. And you went through this so you understand all the
2 questions and the answers as indicated; is that correct?

3 A. I do.

4 Q. If I were to ask you the questions in detail on this
5 sheet, would you give me the same answers under oath
6 right now as you did when you filled this out?

7 A. That's correct.

8 MR. MILLER: Your Honor, I'd move
9 for the admission of the colloquy D-1.

10 MS. COLETTA: No objection.

11 THE COURT: Very well. We'll
12 admit D-1 into evidence.

13 (Guilty Plea Colloquy marked as
14 D-1 and received in evidence.)

15 Q. Mr. Verney, you understand that the maximum
16 potential sentences are as follows: I'm going to read
17 those off for the record. That on the charge of
18 involuntary deviate sexual intercourse the maximum
19 sentence that could be imposed would be 10 to 20 years of
20 incarceration. Do you understand that?

21 A. Yes, I do.

22 Q. On the charges of corruption of the morals of a
23 minor, the maximum potential sentence is two and a half
24 to five years?

25 A. Yes.

1 Q. And on the charge of sexual abuse of children, the
2 maximum potential sentence is five to ten years. Do you
3 understand that?

4 A. Yes, I do.

5 Q. Because there are multiple counts on several of
6 those, and because they could run consecutively, you're
7 facing a potential sentence of thirty-two and a half to
8 sixty-five years incarceration. Do you understand that?

9 A. Yes, I do.

10 Q. You were here today when you heard Ms. Coletta and
11 myself state the terms of the negotiated plea, limited as
12 they are, to the Judge; is that correct?

13 A. Yes.

14 Q. And that's your understanding of what that
15 negotiation is; is that correct?

16 A. Yes, it is.

17 Q. Now, during the course of these proceedings prior to
18 this morning you've been represented by Mr. Hodgson; is
19 that correct?

20 A. That's correct.

21 Q. Have you had enough time to confer with him
22 concerning this matter?

23 A. Yes, I did.

24 Q. And you're satisfied with his services and
25 representations?

1 A. Yes.

2 Q. And, for the record, you have also had family
3 present in the courtroom today, [REDACTED] your son
4 and daughter, are present here?

5 A. Yes, they are.

6 Q. And they are both from out of State, that is, [REDACTED]
7 is from Massachusetts, I believe?

8 A. Yes, that's correct.

9 Q. Your brother and sister-in-law [REDACTED]
10 Verney are here?

11 A. Yes, that's correct.

12 Q. Your other brother and sister, [REDACTED]
13 are present in the courtroom?

14 A. Yes, they are.

15 Q. Family friend [REDACTED] is present?

16 A. Yes.

17 Q. And your family priest, Father [REDACTED] from St.
18 Dunston is present in the courtroom; is that correct?

19 A. Yes.

20 Q. They're here for moral support for you. They're not
21 going to be testifying or saying anything, and you
22 understand that?

23 A. Yes, I do.

24 Q. You've had enough time to confer with your family or
25 anybody else concerning your actions today; is that

1 correct?

2 A. Yes.

3 Q. And it's your desire to enter this plea of guilty
4 and not go to trial; correct?

5 A. That's correct.

6 Q. Do you have any questions that you wish to address
7 to me or anybody else concerning your actions today?

8 A. No.

9 MR. MILLER: Judge, I have no
10 further questions.

11 THE COURT: Ms. Coletta, any
12 questions?

13 MS. COLETTA: Just briefly.

14 BY MS. COLETTA:

15 Q. Mr. Verney, I know you've had substantial time to
16 discuss this with your attorney; am I correct?

17 A. That's correct.

18 Q. Mr. Hodgson was involved in this case since the
19 preliminary hearing; is that also correct?

20 A. That's correct.

21 Q. You understand the plea we have negotiated, the
22 Commonwealth is still seeking State incarceration, you
23 understand that?

24 A. Yes, I do.

25 Q. It's still your desire today to go through with your

1 plea of guilty?

2 A. Yes, ma'am.

3 MS. COLETTA: Nothing further,
4 Your Honor.

5 THE COURT: Very well. Sir, you
6 may step down.

7 (Witness excused)

8 MS. COLETTA: Your Honor, I'll
9 enter the sentencing guidelines and just put a factual
10 basis on the record.

11 THE COURT: Very well.

12 MS. COLETTA: It was on April 3,
13 Your Honor, 1990 when Detective Michael O'Malley of the
14 Towamencin Township Police Department received
15 information from [REDACTED], who is [REDACTED]
16 one of the victims in this case, mother. [REDACTED] was 17
17 years old at that time. She told police she was
18 concerned about a relationship she was sensing between
19 her son and Douglas Verney, then residing at [REDACTED]
20 [REDACTED] in Lansdale. She suspected the two in a sexual
21 relationship, and she told police about numerous phone
22 calls, visits and letters this defendant had sent home to
23 [REDACTED] house. [REDACTED] had met this Mr. Verney
24 while he was involved in the Boy Scouts when [REDACTED] was
25 15 years of age and Mr. Verney was a Boy Scout leader.

1 [REDACTED] also worked part time for Mr. Verney in other
2 matters.

3 At one time she intercepted a
4 letter that Mr. Verney had sent to [REDACTED]. She was
5 concerned about the contents of the letter, brought it to
6 the attention of the police. It was on Red Cross
7 stationery. So the police did an investigation into Red
8 Cross, found out that Douglas Verney was employed. They
9 did a criminal background of this defendant prior to
10 doing anything else and it was determined he was
11 convicted in 1975 of contributing to the delinquency of a
12 minor and unnatural acts of a child under the age of 16.

13 At that point he was living in
14 Massachusetts as a law enforcement officer. On April 18
15 [REDACTED] was interviewed by the police, but he did
16 not come forward with anything except that, yes, he did
17 have a relationship with Mr. Verney.

18 A confidential informant then went
19 to police and stated that while he was at Verney's
20 residence he viewed numerous pornographic magazines and
21 photographs depicting Mr. Verney and [REDACTED] in
22 various sexual positions and simulating sexual
23 intercourse and masterbation. Both Mr. Verney and [REDACTED]
24 [REDACTED] were nude in those pictures.

25 Defendant Verney admitted to this

1 confidential informant, Your Honor, that he was having a
2 sexual relationship with [REDACTED]. He also admitted to
3 performing oral sex on another youth who was later
4 identified as [REDACTED]. That's also one of the
5 Bills of Information, Your Honor. And another child was
6 identified as being involved in this, a [REDACTED].

7 Another confidential informant
8 informed police, Your Honor, that Mr. Verney knew the
9 police were on to him and took all of his pornographic
10 material and transferred it to an Arthur Falk's house in
11 Lansdale. A search warrant was procured, and they
12 searched Mr. Falk's residence. They did find all the
13 child pornography; and Mr. Falk, Your Honor, for your
14 information, pled guilty last week before Judge Brody to
15 possession of child pornography, which is a felony of the
16 second degree.

17 The victim was reinterviewed after
18 all this other information came to light, and he told
19 police that was between June of 1988 and December of 1989
20 he was having a sexual relationship with Mr. Verney. It
21 included taking sexually explicit photographs,
22 masturbation and simulating other sexual acts while nude;
23 and, also, that Mr. Verney did videotape them in the act
24 of sexual intercourse. These videotapes and photographs
25 were all gotten by police at the headquarters of

1 Towamencin Township Police Department. This defendant
2 was subsequently arrested and charged.

3 THE COURT: Very well. Counsel,
4 at this point I think all I want to do is accept the
5 guilty plea and order the PSI.

6 Now, this 23rd day of October 1990
7 the Court finds the defendant has knowingly,
8 intelligently and voluntarily entered an open plea of
9 guilty with reference to the following Bills of
10 Information, and the Court accepts the guilty plea
11 indexed at 4088-90, count four, and also the Bill of
12 Information indexed at point three, point two, point five
13 and count six and -- Bill of Information indexed at point
14 two, point five, point six, all of which are count one in
15 those Bills of Information, and also on the Bill of
16 Information indexed at point four, which would also be
17 count one.

18 The Court directs that there be a
19 presentence investigation report made in this case.
20 Sentence is deferred and the defendant is remanded to the
21 County prison.

22 Counsel, does that cover
23 everything?

24 MR. MILLER: I believe it does.

25 MS. COLETTA: Yes. Just one other

1 thing. If you could go over the Bills again, I got a
2 little confused. It should be the main Bill, point two,
3 point three, point four, point five and point six. Am I
4 correct?

5 THE COURT: Let me go over this
6 again so we can clarify this. I have the main Bill
7 4088-90. The plea to that is count four?

8 MS. COLETTA: Yes.

9 THE COURT: Then on the other
10 Bills of Information indexed at point three, point two,
11 point five and point six, there's a plea of guilty to
12 count one of those Bills of Information.

13 MS. COLETTA: Uh-huh.

14 THE COURT: And also in regard
15 to the Bill of Information indexed at point four,
16 there's also a plea of guilty to count one.

17 MS. COLETTA: Yes, Your Honor.

18 Also, just for the record, Mrs. [REDACTED], [REDACTED]
19 mother, is present in the courtroom today giving support
20 to her son.

21 THE COURT: Very well.

22 MR. MILLER: Judge, if I may, and
23 I mentioned this to Ms. Coletta, with the Court's
24 permission, the defendant's daughter [REDACTED], can you stand
25 up, [REDACTED], and his brother and sister-in-law, [REDACTED]

1 and [REDACTED] they came in from Massachusetts. If
2 possible, I'd ask that for five minutes, if they can see
3 the defendant for a minute somewhere in the back where
4 the sheriffs feel secure prior to him going back to the
5 County prison and them returning to Massachusetts.

6 MS. COLETTA: I have no objection.

7 THE COURT: Very well.

8 Commonwealth has no objection and the sheriff can
9 accommodate, I see no problem.

10 MR. MILLER: Thank you very much,
11 Judge.

12 (At 9:51 a.m. the hearing
13 adjourned.)

35. Narrative
 On 4/18/90, 14:15hrs, R/O had a conference with # 11, his girlfriend [REDACTED] and [REDACTED] at TPD regarding the previous information rec'd on Doug Verney's involvement (sexually with children). [REDACTED] permitted R/O speak with # 11 privately.

[REDACTED] confirmed the following to R/O. Mr. Verney is a boy scout leader for troop # 178, which meets at the Christ Lutheran Church in Kulosville. He is also an advisor and employee with the American Red Cross, sitting on the yo council. He also works as a disc jockey with WNPV Radio on Saturday between 5:00A.M. & 9:00A.M. [REDACTED] has known [REDACTED] for approx. 2 years. He met him through the boy scout troop in the summer of 1988. At this time Verney had a store identified as the "Country Bargains" which was located in West Point, Pa. [REDACTED] was asked and did work for Verney between the summer of 1988 and January 1989. While working for Verney he was invited and did go to his residence [REDACTED] on numerous occasions for lunch and in the evening hours. Approx. 5 to 6 months after meeting Verney he became very close with him. ([REDACTED] wouldn't answer the questions R/O asked as to how close, ex. physical contact, although facial expressions lead R/O to believe physical contact did occur and there was photographing of some kind of acts.) [REDACTED] said that his relationship with Verney continued until December 1989 when [REDACTED] broke it due to seeing a girl. He further stated that he believed Verney was involved with another boy identified as [REDACTED], 19 yrs of age, [REDACTED], Lansdale, Pa. [REDACTED]. He believed [REDACTED] was involved with Verney for 3 to 4 years. This relationship was dissolved when [REDACTED] became close to Verney, although [REDACTED] does still work with Verney at the American Red Cross. [REDACTED] still maintains a friendly relationship with Verney. *** It should be noted that [REDACTED] knew about Verney's previous criminal record due to Verney telling him. He also indicated Verney lived in New Jersey, Vermont, Washington D.C., Massachusetts and Pennsylvania.

[REDACTED] reluctance to directly tell R/O what occurred with them in the relationship prevents TPD to proceed criminally. [REDACTED] was told to think about it for a couple of days. R/O explained to him that it appears he has been victimized by Verney and others may have been as well. He still has a bond with Verney. He assured R/O he would think about it. [REDACTED] also said he was "involved" with another leader, Jesse Stonier approx. five (5) years ago. 19:30hrs: [REDACTED] contacted TPD requesting to speak with R/O immediately. R/O contacted him at work. He advised that he spoke with Verney approx. 1700hrs, this date. [REDACTED] told him he no longer wanted to see him or come to his residence as "something was up". He made no mention of police involvement. At this time Verney told [REDACTED] he is seeing another boy, 14 yrs of age, identified as [REDACTED], [REDACTED], Lansdale, Pa. [REDACTED]

NARRATIVE

On 5/3/90 approx. 0800hrs, #13 came to TPO to report the following:

On April 7, 1990 he attended a red cross meeting at VMSC along with Doug Verney and others. After the meeting Verney was taking #12 home, when #12 asked him to stop at a drug store so he could buy some condoms. Verney stated that he had some at his residence and would supply them. They proceeded to Verney's apartment in Chatham Village.

When they got inside the apartment they proceeded to the back bedroom area. Verney went to a closet in order to get a condom. He asked [redacted] if he knew how to put one on, [redacted] replying "NO". Verney told him to pull his pants down and he would show him how it went on. Verney then suggested to him that "He could get him hard" and began stroking [redacted] penis with his hand. Verney then licked his own fingers and then began the stroking.

[redacted] allowed this for approximately one minute until he told Verney to stop and take him home. Verney did, [redacted] not to tell anyone where he got the condom. [redacted] stated nothing else occurred with Verney on that day or any other day. Verney never put the condom on while at the residence.

[redacted] gave R/O a taped statement, indicating he would prosecute and testify if need be.

Additional charges to be lodged against Verney for corruption of minors. (See 90-4-044 & 90-05-048)

Ex-scout leader admits sex offense

By Jim Austin
Times Herald Staff

A former Towamencin Township Boy Scout leader admitted yesterday to a two-year sexual relationship with a youth in his Scout troop.

Douglas G. Verney, 45, of the [redacted] pleaded guilty in Montgomery County Court to two counts of involuntary deviate sexual intercourse, two counts of corrupting the morals of minors and one count of sexual abuse of children in connection with the relationship, which began when the youth was 15 and Verney was the leader of his Kulpville Boy Scout troop.

Sentencing was deferred by Judge Bernard A. Moore pending completion of a background investigation. Verney faces a maximum possible prison term of 32½ to 65 years.

Verney was arrested April 26 after an investigation that began when Towamencin Township police received a complaint from the boy's mother.

Assistant district attorney Karen A. Coletta said the mother told Det. Michael O'Malley that there were a large number of telephone calls between Verney and her son, and said she had intercepted a letter from Verney to the youth containing sexual overtones.

The letter was written on stationery of the American Red Cross, where police learned Verney worked as an instructor, she said.

O'Malley did a background in-

vestigation and found that Verney was convicted in 1976 of contributing to the delinquency of a child and unnatural acts with a child in connection with his relationship with a youth in a police Explorer group in Massachusetts, Coletta said.

At the time, Verney was a police officer in Hampton County, Mass. and had founded the Explorer group.

O'Malley interviewed the youth from the Kulpville Scout troop, but the boy initially was reluctant to discuss his relationship with Verney, Coletta said.

A confidential informant then came to police and said he had been to Verney's home and seen pornographic videos and still photographs of Verney having sex with the boy and other youths, she said.

The informant said Verney admitted to the informant that he was having sex with the boy and two other local youths, Coletta said.

Another informant told police that Verney knew police were investigating him and, vowing he would "not go to jail again," had moved all the pornographic material to the home of a friend, Arthur Folk, 45, of the 800 block of Main Street in Lansdale.

The boy was then reinterviewed and admitted Verney had been having sex with him since June 1988 and had frequently videotaped and photographed them together, Coletta said.

The boy told police he had taken

a photograph album and videotape from Verney's home and thrown them in a dumpster, and police recovered the items.

Two boxes of pornographic material were recovered from Folk's apartment. He pleaded guilty last week to possession of child pornography and was sentenced to a probationary term.

Coletta said she had agreed not to seek a five-year mandatory minimum sentence against Verney, applicable to defendants convicted of sexual offenses to children under the age of 16, in exchange for his plea.

She said, however, that she does intend to seek a state sentence, meaning a prison term with a minimum of at least two years.

Scout leader charged with sex offenses

Child pornography link investigated

By Jim Austin
 Times Herald Staff

A Townsmein Township Boy Scout leader was arrested Thursday night and charged with various sexual offenses in connection with his relationship with a 17-year-old boy.

Another man, a friend of the suspect, was arrested and charged with possession of child pornography.

Douglas G. Verney, 45, of the [redacted] is charged with involuntary deviate sexual intercourse, indecent assault, corruption of minors and sexual abuse of children in connection with what police said was a two-year sexual relationship with a boy Verney met through his Kripesville Scout troop, Arthur Folk, 45, of the [redacted].

[redacted] in Lansdale, was arrested and charged with possession of child pornography after police raided his home and found boxes of photographs, magazines and videos depicting child sex, much of which Verney apparently gave to Folk when he realized he was under investigation.

Verney is an instructor with the American Red Cross, while Folk works for the agency as a volunteer, according to a Red Cross spokeswoman.

Verney also has taught classes in cardiopulmonary resuscitation at Montgomery County Community College, according to assistant district attorney Karen A. Coletta, head of the county's sex crimes unit.

Sex case evidence found in Worcester dumpster

Continued from Page 1

The investigation into Verney's activities began April 3, Colella said, when the boy's mother intercepted a letter, written on Red Cross stationery, that Verney had sent to the boy.

"The letter contained overtones that indicated there was a sexual relationship," Colella said.

The mother called police, and Townamencin Township Det. Michael O'Malley ran a background check on Verney and discovered that he had been convicted in Massachusetts in 1975 of contributing to the delinquency of a child and unnatural acts with a child.

At the time, Verney was a police

officer in Hampton County and was the leader of a police Explorer group, Colella said.

The Townamencin incident involved Verney's relationship with a 15-year-old Explorer, according to a police affidavit.

Police interviewed the boy, who said he was 15 when he met Verney and who said they became very close.

Colella said the boy initially was reluctant to discuss the relationship with police.

"He is a real nice kid," she said. "I felt sorry for him."

Before reinterviewing the boy, police received information from two confidential informants who

"It's very unusual in a case like this to be able to recover this kind of material. Usually when they (pedophiles) get wind of an investigation the stuff is gone."

Michael D. Marino
Montgomery County District Attorney

said they had seen pornographic material, including a photograph album of pictures showing Verney having sex with the boy, at Verney's home.

Verney told one of the informants "that he will not go to jail again and know everything the police were doing," according to a

police affidavit.

Police reinterviewed the boy Thursday, and he admitted that he had been in a sexual relationship with Verney since June 1988.

According to police, the boy said Verney had taken photographs and made videos of them having sex, and said Verney had told him he

had moved all the material to Folk's house while police investigated him.

The boy said he took the photo album and a videotape from Verney's apartment and threw them into a dumpster at a construction site on Route 363 in Worcester Township, Colella said.

"It's very unusual in a case like this to be able to recover this kind of material," said Montgomery County District Attorney Michael D. Marino. "Usually when they (pedophiles) get wind of an investigation the stuff is gone."

Colella said that thanks to quick action by Townamencin police and county detectives, the evidence was recovered from the dumpster.

The photographs show Verney engaged in sex with the boy and other youths, who have since been identified, she said.

"This case is still under investigation," she said.

Police also raided Folk's apartment and found two large boxes containing other pornographic material and sexual devices, Colella said.

Some of the material was pornography that Verney had given Folk to hide until the investigation "blew over," Colella said.

Other material belonged to Folk, she said. Verney was arraigned and is being held in the county prison in lieu of \$40,000 bail.

Two cases: separate appeals are pending pending the outcome of litigation.

Scout aide charged again

By Erin Kennedy
Special to The Inquirer

A Towamencin Township Boy Scout troop assistant who is in jail on charges of having sex with a teenager in his Kulpsville troop was charged Tuesday with molesting two more teenage boys.

Towamencin police charged Douglas Geoffrey Verney, 45, of the [redacted], with one count of involuntary deviate sexual intercourse and two counts of corruption of minors after two Lansdale boys, 14 and 15, came to police Monday and said they had been molested.

The two, who are neighbors, said they met Verney through his job with the American Red Cross. According to court records, on two occasions between January and April, Verney had arranged to be alone with the boys in his apartment.

Verney was arrested at Montgomery County Prison at Eagleville and arraigned by District Justice John S. Murray 3d. Bail remained at \$40,000 cash, and Verney was returned to jail

to await his preliminary hearing May 18.

Towamencin police said they first arrested Verney on April 26 after they recovered pornographic material that included a videotape and photographs of him having sex with a 17-year-old Spring Mount youth. The 17-year-old told police he had met Verney during a scouting activity and had had a sexual relationship with him from June 1988 to December 1989.

Police were first tipped off to Verney's relationship with the 17-year-old after the youth's mother intercepted a letter from Verney to her son.

Verney was charged with involuntary deviate sexual intercourse, corruption of a minor and sexual abuse of a child.

Verney was convicted of sexual abuse in 1975 while he was a police officer in Hampden County, Mass., according to court records. He was arrested after fellow officers learned he had had sex with a 15-year-old boy who had been in the Police Explorers Troop that Verney had established.

Molester of Boy Scouts in Monticully given 3 to 20 years in state prison

By Erin Kennedy
Special to The Inquirer

The Kulpville Boy Scout troop leader said he put great faith in his friend Douglas Verney when he asked him to help lead his troop and when he entrusted his children to him on Sunday mornings for church Bible study.

But Verney betrayed that trust by molesting two teenagers in the scout troop, including the leader's 14-year-old son, and used a video camera to record the sexual abuse, the troop leader testified yesterday in Montgomery County Court.

Verney, 45, of [redacted] Lansdale, was sentenced yesterday by Judge Bernard A. Moore to three to 20 years in state prison for molesting the two Boy Scouts and another teenager. He had pleaded guilty Oct. 23 to two counts of involuntary deviate sexual intercourse, three counts of corruption of a minor and one count of sexual abuse of a child.

The Kulpville troop leader, whose name is being withheld by The Inquirer to protect his son's identity, testified at yesterday's sentencing hearing that he had befriended Verney five years ago after his minister introduced them.

"We used to sit at my kitchen table until 2 a.m. discussing religion, life, the Boy Scout troop, whatever," he said. "... The day after his arrest I had to stand in front of 20 boys and 40 parents and tell them this man I had presented to them ... had betrayed them."

Judge Moore agreed. "There was an enormous breach of trust here," he said. "Parents have a right to have their children participate in these kinds of community activities without fear of harm."

Moore ordered Verney to undergo intensive psychiatric treatment during his parole. Moore said that considering that Verney had a previous child-molestation conviction, he hoped he could protect society by putting Verney under state supervision for 20 years, until he is 65 years old.

Verney was convicted in 1975 for committing unnatural acts with a child and contributing to the delinquency of a minor. According to court records, Verney was arrested after his fellow police officers in Hampton County, Mass., learned that he had had sex with a 15-year-old boy who was in the Police Explorers troop that Verney had established.

Towamencin police arrested Verney on April 26 after they recovered pornographic material that included a videotape and photographs of him having sex with a 17-year-old Spring Mount boy. The teenager told police that he met Verney during a scouting activity and had a sexual relationship with him from June 1988 to December 1989.

Police first learned of the relationship after the teenager's mother intercepted a love letter from Verney

to her son.

The family has been in counseling because of the incident. The boy ran away and joined the Army soon after his relationship with Verney was discovered, Assistant District Attorney Karen Coletta said.

Verney was charged with additional offenses on May 8 after two Lansdale boys, ages 14 and 15, told Towamencin police that he also had molested them. According to the police affidavit, Verney who worked for the Red Cross, arranged to be alone with each of the boys in his apartment after teaching them in a cardiopulmonary resuscitation class.

Edward J. Murphy, a clinical psychologist who has been treating Verney since his arrest, testified that Verney was not a pedophile but a man whose bouts of depression led him to use poor judgment and seduce the teenagers.

Murphy said Verney had shown great improvement and a willingness to be treated for his deviant behavior since being given anti-depressant drugs. Murphy said he doubted that Verney would get the treatment he needed in a state prison.

Verney's brother, his 20-year-old son and his 17-year-old daughter testified that Verney was a good, loving man, who had told them of his homosexuality about five years ago. They asked Moore to give Verney a short sentence so he could get proper psychological treatment.

"I don't think he's a throwaway defendant. I don't think he's a swinging-door defendant or a guy who drives down the street and swoops kids off the street. ... There were no threats or violence used in these cases," defense attorney Richard J. Hodgson said, asking for a lenient sentence.

Ortiz, according to the federal authorities, was head of the rival Gray Tape drug ring. His death on a Hunting Park street corner in September 1988 set off a rampage by nearly 200 neighborhood teenagers who viewed him as a local hero.

Ortiz, 20, was known in his neighborhood as a sidewalk drug lord who dressed in white, flaunted his gold jewelry and drove flashy, late-model cars, according to police. When he was killed, he was free on \$150,000 bail awaiting trial in the death of another young man.

Albaladejo admitted quarreling with Ortiz on Sept. 26, 1988, the day of the shooting. And he said he was standing with Ortiz outside a bar at Bristol and Marshall Streets when shots were fired. But Albaladejo denied having a gun or firing the shots that killed Ortiz.

The prosecution contended that Albaladejo killed Ortiz in retaliation for the death, earlier the same day, of Richie Colon — a friend of Albaladejo's. Colon died after a motorcycle accident. Ortiz had sold Colon the motorcycle.

Towamencin police said they first arrested Verney on April 26 after they recovered pornographic material that included a videotape and photographs of him having sex with a 17-year-old Spring Mount youth. The 17-year-old told police he had met Verney during a scouting activity and had had a sexual relationship with him from June 1988 to December 1989.

Police were first tipped off to Verney's relationship with the 17-year-old after the youth's mother intercepted a letter from Verney to her son.

Verney was charged with involuntary deviate sexual intercourse, corruption of a minor and sexual abuse of a child.

Verney was convicted of sexual abuse in 1975 while he was a police officer in Hampden County, Mass., according to court records. He was arrested after fellow officers learned he had had sex with a 15-year-old boy who had been in the Police Explorers Troop that Verney had established.
