Edward

Dear Paul:

In regards to the situation concerning Mr. Dreisbach, I had a number of telephone calls from three former Scouts who claim to be victims of sexual abuse by Mr. Dreisbach in the early 1970's. I know the identity of two of the callers, however all three wish to remain unidentified for fear of reprisals in the community.

I have been unsuccessful in obtaining written statements from any one involved. Mr. Dreisbach has not requested a review of our decision to suspend his registration. He has not, to my knowledge, had any contact with the Boy Scouts Of America since our letter to him on June 23, 1989.

The only corroboration I have is that my Council President, Bernard C. Banks, Jr., listened in on one of the phone calls alleging the abuse. I contacted Mr. Jerry Pitkas of the Wyoming County Children and Youth Services, to whom we reported the incident. He told me that because he had no first hand accusation, he could not launch a full investigation. He did talk to two boys who recently quit the Troop and neither boy made any accusations. Mr. Pitkas passed the information, including a list of former Troop members, on to the District Attorney for Wyoming County.

Please advise as to any further action on my part.

Sincerely

Gerard A. Lupien

Dear Gerard:

In early July, we received a record sheet for the above named individual and, also, a copy of the letter which was sent suspending his registration.

It was indicated that Mr. Dreisbach sexually abused some former troop members and this was the reason for his suspension.. We still would like more information concerning this matter. If there has been any legal action, then we would like the outcome of that action. We would, also, like statements in writing from the individuals who told you about the original actions.

Please let me know if we could be of any help to you, so we can close this file.

Sincerely,

Dear Gerard:

We appreciate the Confidential Record Sheet and the statement which were sent to us concerning the above named individual. We would like a copy of the letter which was delivered to him.

Please keep us informed if any legal action is to take place. It certainly would be most helpful if someone were willing to put some of this information into writing and sign it rather than having these statements made without identification. This greatly strengthens our file.

Let us know if we may be of help to you.

Sincerely,

[REDACTED]
Falls, Pa. 18615

Dear Mr. Dreisbach,

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely yours,

BERNARD C. BANKS, Jr.
President

Re: Edward Dreisback

Dear Paul:

Enclosed are copies of all records of phone calls I have had concerning Mr. Dreisback's alleged sexual abuse of Scouts.

Based on this information, we feel is registration from the Boys Scouts of America should be revoked. Mr. Dreisback has removed himself from contact with his troop. According to his attorney, he will have no contact with the Boy Scouts of America in the future.

Sincerely,
