Re: Irving W. Beck, Jr.

Dear Ray:

Thank you for your letter of June 9 with the enclosed statement concerning Irving W. Beck, Jr., Scoutmaster of Troop 115. We have placed this information in our files and have taken steps to have his name deleted from the Troop roster.

Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us as soon as possible. This information will enable us to identify Mr. Beck should he ever again attempt to register in the Scouting program.

I am sure you realize that this leaves Troop 115 without any registered unit leader. Undoubtedly, someone is taking over in this position. In order for the unit to continue to receive program inserts in Scouting Magazine, it will be necessary to advise this office of the name of the new unit leader. This should be done by filing with us an additional enrollment for this individual in his new position. Please do not file a separation notice as we have already dropped the current leader.

Sincerely yours,
