Dear Rod:

I hate to bother you again, but this case has now come to the "top of the stack".

We really need the outcome of the legal action, if it has been completed. Since the trial was originally scheduled for June, we hope it has been completed and you can give us the outcome. This information is most necessary for our files.

Thanks for your help in protecting the youth of America.

Sincerely,

Dear Paul:

To update you on the above case. The enclosed letter was signed by our President on 1-15-89, and mailed by Certified Mail on 1-26-89. On 1-30-89 we received the return receipt signed by Norbert M. Kinsler.

I have heard from a couple of sources that Mr. Kinsler is back in town. I understand he posted bail in Idaho and is out on his own recognizance.

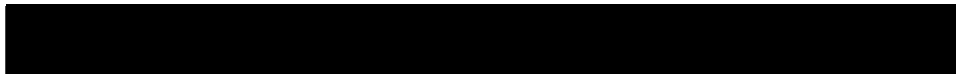

I have no way to follow up on this case so you should probably contact the Scout Executive in Twin Falls, Idaho and see if he can obtain any information from the authorities.

Sincerely,

COUNCIL

Mr. Norbert M. Kinsler

[REDACTED]  
Ventura, CA 93003

Dear Mr. Kinsler:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely,

William Hewston  
President

Dear Bill:

I appreciate the material we recently received concerning the above named individual. This is most helpful to us as we begin to establish a file which will lead to refusal of any future registration attempts.

Will you be receiving information on the final outcome or the legal action or should we contact the scout executive in Twin Falls, Idaho. I would like information from you, so that I know how to proceed to have a complete file.

Thanks for your help.

Sincerely,

Paul Ernst, Director
