Dear Clem:

I hate to bother you again, but have not heard from you since March when you sent us information on this individual. At that time, you indicated that he had been questioned related to child abuse.

We would like to know if this was reported to the state, and if any legal action has transpired. Newspaper clippings or court records would be most helpful in substantiating the outcome of that action.

Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Clem:

Thanks so much for the material you recently sent. This is most helpful as we start a file which will lead to refusal of registration in the future.

We would like to know if any legal action is to be instituted. If so, we would like any newspaper clippings or court records related to that action. We would also like the outcome once it is completed.

Please let us know if we may be of any help to you as this progresses.

Sincerely,

Mr. Robert E. Fertal Sr.

Bethlehem, PA 18015

Dear Mr. Fertal:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is concern that an individual may not meet the high standards of membership which the BSA seeks.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted. The procedures for a review of this decision are enclosed.

Sincerely,

Clement A. Fany
Scout Executive
