Dear Art,

After very careful consideration for sometime and ~~am~~ effective with the date of this letter terminating as Scoutmaster of Troop 222, Newport. For some time the demands of my job have been increasing and it now appears shifting again with more travel, etc. I fully realize this is very sudden and not at a very opportune time, but I have have been left with very little choice in the situation. I am sure that you will be capable of securing a sound individual to continue great Scouting experiences in the Newport area. I have certainly appreciated the fine cooperation and consideration from all involved these past very quick three years.

Sincerely,

RODGER L. BEATTY

First night - There was an activity at the Youth Center, then we (myself [redacted] and [redacted] went up to Rodgers to spend the night. We got there around 10:30. There were mattresses on the floor that we were suppose to sleep on. We watched T.V., then we went to sleep. I was too scared to sleep so I stayed awake, there was a light coming through the window that I was watching. Then the light got out and light again, I knew it was Rodgers. All I heard was belts unbuckling and snaps opening and zippers coming down. Then he came to me, I was laying on my stomach, I tried to roll me on my back, but I just rolled the whole way on my stomach again. That's all that happened that night.

Night before 10 mile boy scout hike - He ast some scouts to stay over at his house and we said yes. I knew what was going to happen but some how I fell asleep. I woke up and he had my pants down and then he rolled me over on my stomach and pin me down and had sexual intercourse with me, but I was too scared to say anything and too scared to tell anybody.

patrol duty Saturday night. My friend
brought a two man tent but we squeezed
three in. We fell asleep. I woke up and
found Rodger in the tent he already had
my pants unbuckled so I tried to get
away and he got my pants down and he
had sexual intercourse again.

I joined scouts because Roger helped my Dad with
A Drinking Problem and my main theme was a
good Idea.

I was in scouts for about 2 months and
then I stayed up at Rogers and I stayed
up to about 1800 and fell asleep I was with
myself and when I woke up the next morning
my pants were down I had no idea
what had happened so I asked around scout
and then found out that Roger blame people
and I didn't believe it but what else could
explain my pants being down in the
morning, so I stayed up at Rogers going
with [redacted] + [redacted], and in the morning my
pants were down again and so were
[redacted] + [redacted] so I stayed up there
again and he was taking off on me,
and I woke up and he started to suck
my penises and it went on for about 1 hour
and then he said thank you when he
was done.

I joined the Troop because Rodger suggested that it would be a good idea, mom agreed so we joined scouts.

at my first meeting I was told Rodger was a homosexual but I didn't believe them, 'cause he did a lot of nice things for our family. So I stayed at his house with a couple of other scouts. That night he seduced me & blew me. "I didn't say anything that next morning". This went on for about a month or so. One day the scouts had a picnic, afterwards I stayed at [redacted] house till about 100 o'clock. Rodger came to give [redacted] his glasses, so I went to his house for a while till drum + bugle corps practice. I fell asleep for 3 or 4 hours, I woke up with my pants down. (But I still didn't say anything) that was the last contact I had with him.
